OVO JE PRIČA O ŠKOLI U KOJOJ JE PRAVO UŽIVANJE UČITI!

Centar za učenje stranih jezika, St. Nicolas school, osnovan je 1999. godine sa željom da što širem krugu polaznika omogući učenje stranih jezika na jednostavan i efikasan način. Nalazi se na osam lokacija, s tim da je šest lokacija na Novom Beogradu – Blok 44, Blok 70, Blok 22, kod "Carine", na Bežanijskoj kosi i u TC "Piramida". Ostale su na Konjarniku-Šumicama u TC "Konjarnik" i na Vidikovcu-Ceraku. Pored ovih lokacija nastava se izvodi i u firmama zainteresovanih polaznika. U školi se mogu učiti sledeći jezici: engleski, nemački, italijanski, francuski, španski, norveški, švedski, grčki, ruski, kineski i srpski za strance. Osim redovnih i opštih kurseva na svim lokacijama organizovani su intenzivni i specijalistički kursevi. Škola radi od 08.30 do 24.00 a individualni časovi počinju već od 07.00. Za one koji nastavu pohađaju do 14.00 časova postoji popust od 20%. Rad u malim grupama, (3-8 polaznika), obezbeđuje maksimalnu posvećenost predavača svakom učeniku i aktivno učestvovanje svih prisutnih na času. Izbor vrhunskih programa učenja i primena savremenih nastavnih metoda je od velike važnosti za uspešnost rada u školi. Učionice su lepo uređene, čiste, osvetljene, klimatizovane a posebnu pažnju privlače one namenjene deci, pune igraćaka i detalja pred kojima i odrasli ne ostaju ravnodušni. Prijatan ambijent, ljubaznost osoblja i druženje sa drugim polaznicima dodatno doprinose lakšem savlađivanju gradiva.

THIS IS A STORY ABOUT A SCHOOL WHERE LEARNING IS A GREAT PLEASURE!

The centre for foreign languages, St. Nicolas school, was founded in 1999 with the aim of providing the simplest and most efficient ways of learning to a wide range of students. It is situated on eight locations, six of which are in New Belgrade – Blok 44, Blok 70, Blok 22, near 'Carina', on Bežanijska kosa and in TC 'Piramida', while the other two are on Konjarnik-Šumice, TC 'Konjarnik' and on Vidikovac-Cerak. Apart from these locations, the classes are also held in firms. The following languages can be studied: English, German, Italian, French, Spanish, Norwegian, Swedish, Greek, Russian, Chinese and Serbian for foreigners. Besides general courses, intensive and specialized courses are also organised in all the locations. The school is open from 8.00-24.00, while individual classes can start even at 7. For those attending morning classes (until 14.00) there is a discount of 20%. Work in small groups (between 3 and 8 students) provides the teacher's maximum attention to each student along with the student's active participation in class. The selection of top learning programmes and application of modern teaching methods are significant for successful school work. The classrooms are nicely equipped, clean, illuminated, air-conditioned, while those intended for children are especially appealing to the eye. Full of toys and details, they leave adults breathless, too. Pleasant atmosphere, amiable staff and socializing with other students additionally contribute to much easier learning.
